41866

Washing Brush w/long handle, 415 mm, Hard, Yellow

The long handle on this brush allows the operator to reach into parts of equipment that are hard to access. The angled hard bristle works well for scrubbing at a distance, e.g. cleaning machines, deep buckets, containers and tubs or anywhere that may require longer reach.

## **Technical Data**

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

1. See Declaration of Compliance for further details on food contact
